EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Squire on 1/6/05.

2. The application has been amended as follows:

In the Title:

3. Title, line 1 delete "and Belt so Made".

In the Claims:

4. In claim 2, line 5 delete "cylindrical".
5. In claim 4, lines 2 and 3 delete "laminated one piece cylinder" and insert therein - - adhered one piece two layer cylinder - -.
6. Delete claims 6 and 7.
7. Claims 2 and 4 are allowed.

REASONS FOR ALLOWANCE

8. The following is an examiner's statement of reasons for allowance:

The claims are allowed over the prior art of record, namely Wood (U.S. Patent 5,733,399) and Ndebi et al. (U.S. Patent 6,217,964), in view of applicants arguments submitted 11/15/04. Goto et al. (JP 02066009) is cited for showing a three layer belt having an inner layer polyethylene terephthalate resin substrate, a middle layer adhesive, and an outer layer thermoplastic elastomer sheet there being no suggestion to eliminate the adhesive from the belt or to form the belt from preformed layers formed into a cylinder having abutted ends wherein the cylinder is then placed in a pneumatic mold for molding into a belt.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
